25X1
25X1A 1. [redacted] Arranged for an area recruiter to contact [redacted] a constituent of Representative Thomas E. Morgan's (D., Pa.), who wanted to get in touch with someone from the Agency about possible employment. I called David Smith, in the Representative's office, and told him that [redacted] our recruiter for the [redacted] Pennsylvania area, would make the initial contact. He thanked me for our help.

25X1 2. [redacted] Ron Tammen, Legislative Assistant to Senator William Proxmire (D., Wisc.), called as a courtesy to inform us that Senator Proxmire is introducing a bill today to make mandatory GAO audits of CIA and other intelligence agencies. Proxmire will also include in the Congressional Record a report conducted by GAO at his request, indicating the problems GAO has had over the years in its auditing activities.

25X1 3. [redacted] I called Mr. Monahan, in the Public Affairs Security Division of Defense as a follow-up to his earlier call to Angus Thuermer. Monahan is reviewing the testimony of Eric Van Marbod, Principal Assistant Secretary for Defense, Comptroller, on U. S. expenditures in Vietnam given before a Senate committee. Monahan was inquiring as to whether CIA had any objection to being openly identified in the testimony when it is publicly released. He said he had posed the question to DIA last night but they could not reach the CIA officer involved. I suggested that he recontact DIA. After the call, I reached [redacted] OF, who handles these matters with Defense. He felt that CIA should definitely not be identified. I suggested that he call Monahan directly to assure that this is done.

25X1A
25X1 4. [redacted] Met with Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, and made arrangements for delivery of the NID. Mr. Czarnecki wants to acquire a safe and will call us when delivery is to start.

25X1 5. [redacted] Bill Jones, INR/OIL, called to prod me to speed up my draft of CIA's position on S. Res. 6, which would establish a Senate Select Committee to investigate intelligence agencies and would urge the appointment of a special prosecutor. I sent him a copy of my draft by LDX later in the day.

25X1 4. [redacted] Pete Murphy, House Appropriations Subcommittee on Defense, called and asked if I knew whether the Director's briefing on the 20th of February would be an open or executive session. I told him that the last we knew Ralph Preston, Staff Assistant, was to decide this with Chairman George H. Mahon (D., Tex.). He said he would check with Preston.

25X1 7. [redacted] Called Bob Hull, Retirement Affairs Officer at the Department of State, and asked if he would send us a copy of his 7 February 1973 letter to OMB setting out proposed legislation to fund their retirement program. He said he would have a copy for pick-up by our couriers in the morning.

25X1 8. [redacted] Checked with Noel Daoust, Secretary to Marian Czarnecki of House Foreign Affairs Committee, to see if they had the names of the two Republicans on the intelligence subcommittee which is being reestablished in the Committee. She said the Republicans have not been named and probably won't be until next week. She also said the Democrats are not firm yet either.

25X1 4. [REDACTED] Talked with Marian Czarnecki, Chief of Staff, ~~House Foreign Affairs Committee~~, who told me that under the new rules of the Democratic Caucus the following members had been named to the Subcommittee that would receive Agency briefings on covert action programs: Chairman Thomas E. Morgan (D., Pa.), and Representatives Clement J. Zablocki (D., Wisc.), Wayne L. Hays (D., Ohio), Leo J. Ryan (D., Calif.), and Helen S. Meyner (D., N. J.). The Subcommittee will also have two Republican members, who are as yet unnamed.

25X1 5. [REDACTED] Received another call from Mike Crowley, INR, who is interested in our position on S. Res. 6, which would establish a Senate select committee similar to the one set up under S. Res. 21. I again promised to send Crowley a draft of our response as soon as it is prepared.

25X1 25X1A 6. [REDACTED] [REDACTED], OCI, and I met today with Paul Tsompanas, Legislative Aide to Representative Bob Wilson (R., Calif.), to discuss Ecuadorean seizure of American tuna boats. This stemmed from a call Congressman Wilson made to us on 7 February. The Congressman is in California and Mr. Tsompanas will pass along our comments to him. We left Mr. Tsompanas a copy of the Weekly Summary article on Tuna Boat Seizure which appeared 31 January.

25X1 7. [REDACTED] I left with the following individuals a copy of Judge Haynesworth's decision reversing the decision of the District Court in the Marchetti case: Ed Braswell, Senate Armed Services Committee staff; Guy McConnell, Senate Appropriations Committee staff; Jack Boos, for Chairman Lucien N. Nedzi (D., Mich.), House Armed Services Special Subcommittee on Intelligence; Ralph Preston, House Appropriations Committee staff; Doug Marvin, Senate Judiciary Committee staff; and Paul Summitt, Senate Judiciary Subcommittee on Criminal Laws and Procedures.

25X1 Jack Boos asked that I check into a story that appeared in the Washington Star today that CIA had used credentials and badges of the Fairfax County Police to conduct surveillance.

25X1 12. [REDACTED] Frank Sullivan, Professional Staff
Member, Senate Armed Services Committee, called to say that he is
facing a deadline of the end of the week on preparing the material on the
question of aid to Vietnam and said he is really troubled as to what he can
say on this subject. He realized that the figures on Soviet and Chinese
aid to North Vietnam are very spongy and in fact said he was not sure
he would want to use figures even if we could provide them. However,
in the absence of figures he is not really sure what can be said. We
left it that I would take this up with the Director and Mr. Carver, NIO,
25X1A with respect to having either [REDACTED] NIO/SEA,
come up and discuss the subject with him in the next day or two.

25X1 13. [REDACTED] Received a call from Ellie Vogtmann,
Assistant Clerk, Senate Foreign Relations Committee, saying there
would be a reporter at the briefing of Senators John Sparkman (D., Ala.)
and Clifford Case (R., N.J.) by the Director today.

25X1 14. [REDACTED] Clark McFadden, General Counsel, Senate
Armed Services Committee, called and wanted to know if he could have
a copy of an article in today's NID on Somalia. After checking with
Mr. Cary, I called [REDACTED], OCI, who said he would have the
article ready for McFadden shortly. 25X1A

25X1 15. [REDACTED] In connection with a call yesterday from
Charles L. Ward, Administrative Assistant, Office of the Speaker of the
25X1A House of Representatives, received a call from a [REDACTED] requesting
an interview for employment. After checking with the Office of Personnel,
an interview was scheduled for 2:00 p.m. today.

25X1 16. [REDACTED] Received a call from Noel, in the office of
Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee,
asking to set up an appointment for Mr. Cary and Czarnecki to meet
on Tuesday, 11 February at 10:30.

25X1 17. [REDACTED] 25X1A [REDACTED], Congressional Support
Officer, OCI, provided me with several unclassified Agency foreign economic
surveys which I left with Richard Kaufman, on the staff of the Joint Economic
Committee.

25X1 18. [REDACTED] Stopped at the office of the Subcommittee
25X1A on Foreign Operations and Government Information, House Government
Operations Committee, and picked up a package which they had for

10. [redacted] Received a call from Jack Boos, House Armed Services Committee staff. We discussed in general clearance procedures for the staff of the House Select Committee to be established. He noted a particular problem in allowing the personal staff of Members access to Committee information since Members may want their own staff to assist them. He said the whole approach will be tight security with firm controls and limited access. I assured him that we will assist fully. Boos indicated that Representative Lucien N. Nedzi (D., Mich.) will be Chairman, but this is not certain. A vote should be taken on the resolution next Tuesday, 11 February. The resolution now calls for ten, but the Republicans want twenty and their own minority staff. Boos said the Members will come from Armed Services, Foreign Affairs, Judiciary, and Government Operations. He asked for a rough estimate of the staff of the Rockefeller Commission. I called him back later and said about twenty.

11. [redacted] Bill Jones, INR/State Department, called for guidance in response to several resolutions and bills which had been referred by congressional committees to State for comment. I explained our general position on several of the bills including S. Res. 6 which appears to be overtaken by the establishment of the Senate Select Committee under S. Res. 21 and suggested that [redacted] in our office be contacted for coordination and exchange of views regarding these matters. Jones will have the appropriate individual call [redacted] and I agreed it would be appropriate to put the appropriate individual in touch with [redacted]

12. [redacted] Called Chester Sobsey, Administrative Assistant to Senator Howard Cannon (D., Nev.), to determine if the reply on [redacted] was satisfactory. Sobsey asked if we could recall the reply which had not yet arrived since apparently Senator Cannon had not intended that Sobsey refer [redacted] complaint to the Agency fearing that the Agency may retaliate and it would affect her position with us. I told him the letter had already been sent but that we had no problem with us handling other matters except that we do want to stress again that the Agency has had no official relationship with [redacted] and this is important to keep in mind in connection with her erroneous statements.

7. [redacted] Jim Bush, in the office of Senator Philip Hart (D., Mich.), called and said that the Senator may want to use some of his personal staff to assist him in the proceedings of the Select Committee. He wanted to know about clearances. He said he has a Top Secret DOD clearance. I advised him that all we had to go on was the floor discussion, that it would be up to the Committee to decide. I suggested that he plug in through Committee channels.

8. [redacted] Called Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, and advised we had a reply to Chairman Thomas Morgan's (R., Pa.) 9 January letter regarding the Foreign Assistance Act amendment requirements and wondered if this has been overtaken by events. Czarnecki said he thought it was a good idea to go ahead and send it. He added that he just did not have time to meet with [redacted], OCI, concerning the receipt of the NID and we agreed we would wait until we hear from Czarnecki.

9. [redacted] Called George Murphy, Deputy Director, Joint Committee on Atomic Energy, and discussed with him the security procedures in the Joint Committee as they might relate to the Senate Select Committee on intelligence activities.
